There is a MSAD #11 School Board workshop on 10/18/2018 where they are going to vote to transfer the school to the Town. If the Town were to accept the offer the Town would have to pay at least \$461,748.09 by statutory requirements.

Discussion reference to the Cable Franchise agreement, John LaRouche explained a couple of options the Town may want to consider when negotiating the new contract. The Town may want to expand the area served, keep PEG channels 1-9, and negotiate money for services.
